Five Part Naturopathic Pharmacy CE Series

Presented By Natalie Gustafson, PharmD

Five stand-alone courses are being offered to cover the new drugs now available on the Naturopathic formulary. These courses are designed to provide you with the framework to help manage these new drug classes safely and effectively. Emphasis will be placed on interactive discussion and case studies, with handouts to help provide details about the new drugs to assist in future prescribing and learning needs.

- Five course options with checkboxes: Pain Management, Infectious Disease & Respiratory Agents, Antihypertensives & Cardiac Agents, Psychiatric, Parkinson's & Alzheimers, Diabetes, GI and Blood Disorders.

Each course is worth 2 CE credits

Time: 6:30 - 8:30pm

Location: Pacific Compounds Pharmacy
327 SE 3rd Ave
Hillsboro, OR 97123

Price: \$35/course, or \$150 for all five
